

CERTIFICATE OF ANALYSIS

Product name: Monoclonal Anti-Human CD137 Antibody Humanized IgG2 lambda

Catalog: AC67568

Size : 500µg

Lot: 4027230424

Clone : D209

Isotype : Humanized IgG2

Concentration : 1.0 mg/mL

Formulation : Supplied as 0.2 µm filtered solution in PBS, pH7.4.

Storage instructions: Shipped at 4°C. Stored at 4°C for 12 months.

Quality control assays		
TEST	Standard	Result
Endotoxin	< 0.01EU/µg	pass
purity	> 95%	pass
Bioactivity-ELISA	Immobilized Recombinant Human 4-1BB(C-6His) at 0.2 µg/well can bind Anti-Human CD137 (Catalog # AC67568) with a linear range of 287 to 422.3 ng/mL	pass

This product lot has passed Acnovia's QC testing.
